In winter (arrival December-April) You can convert your trip up to 7 days before arrival into a gift card that is valid for a new trip from May 2022 to April 2023.

The following conditions apply:

1. You get information from your workplace that you have to quarantine upon your return.

To convert your trip to a gift card, one of the following applies:

When converting to a gift card, the cost of the insurance is deducted from the gift card sum.

## ADD INSURANCE TO YOUR BOOKING

The insurance is binding and can only be added in connection with the booking of the trip, maximum 7 days later.

## MAXIMUM SECURITY

For the best possible security, we recommend that you also add our regular cancellation insurance to your booking, which covers up to the day of arrival if you become ill.
